Madame Chairman Elizabeth Fleming
Public Service Commission of South Carolina
101 Executive Drive
Columbia, SC 29210

RE: Docket No. 2006-174-E

Dear Madame Chairman Fleming:

During Progress Energy Carolinas' September 30, 2008 presentation regarding its Integrated Resource Planning process Commissioner Wright asked when PEC expects to receive approval from the Nuclear Regulatory Commission to extend the operating license life for its Harris nuclear plant. PEC expects to receive such approval by the end of 2009.

Sincerely,

A handwritten signature in black ink, appearing to read 'Len S. Anthony', written over a horizontal line.

Len S. Anthony
General Counsel
Progress Energy Carolinas, Inc.
